

ARCHITECTURAL COMPETITION for CHILL SPOTS

Let's create a **CHILL SPOT** and be proud of your project around Europe.

The theme of the competition is to create a concept of space, the so-called a "chill spot" where a user (mainly a student) can use virtual reality to de-stress and relax.

Project guidelines are available on the website:

<https://vrxanny.p.lodz.pl/ChillSpotCompetiton>

There is a prize for the winning project! The winners will get cash vouchers.

Important dates:

The competition inquiries and questions can be sent till 7th May, 2023.

Answers will be published till 12th May, 2023.

Competition Final Deadline: 22th May, 2023.

The results of the competition shall be announced no later than 29th May, 2023.

Please register on the website: <https://vrxanny.p.lodz.pl/ChillSpotCompetiton>

The competition projects should be uploaded on the same website.

The competition is for students from VRXanny consortium universities

(Lodz University of Technology, University of Lodz, University of Vigo, University of Tartu).
